

## Product Information

### TJM TYPE 15 STEEL LAND ROVER DISCOVERY 3

AVAILABLE NOW

TJMs Type 15 Steel Deluxe bars offer style and functionality and incorporate over 30 years of design and manufacturing experience.

The sleek T15 Steel Bull Bar for the Land Rover Discovery 3 features tapered wings to ensure maximum approach angle is maintained as well as polyurethane energy absorbing bumperettes that enhance this already stylish bar. Provision for factory head light water jets and aerial mounts are standard, ADR approved indicator/park light assembly reduce the risk of stones cracking the lenses, large diameter centre section accommodates even the largest driving lights and the bar is also engineered to mount up to a 10,000lb Ox Electric winch.

Every bar is sand blasted, pretreated with a zinc phosphate to prevent rusting and polyester powder coated in black.

This bar is air bag compatible.
