## TYPE 16 GRILLE GUARD FORD ESCAPE 2006

& STAINLESS STEEL SPORTZMASTER SIDE STEPS AVAILABLE NOW

TJM has released the Type 16 Alloy Grille Guard for the 06+ Ford Escape. This good looking accessory protects the front of your vehicle from high gutters and small bumps which would otherwise damage the paint and gives you the ability to mount additional driving lights.

Part Number: **075APA16N46G**  
Description: **T16 GRILLE GUARD - FORD ESCAPE 06+**

TJM's range of Stainless Steel is designed to TJM Australia's specifications & made from the highest quality T304 Steel, which allows for a mirror like finish. TJM's Stainless Steel range is strong but light weight allowing for almost seamless joins on Grille Guards, Side Steps, Rear Bars and Sport Bars.
