## TJM ALLOY CLASSIQUE SIDE STEPS

AVAILABLE NOW

TJM's extensive range of side steps has increased with the release of the 'Classique' Aluminum Side Step now available for a wide range of new vehicles. Made using a custom designed alloy extrusion and durable mounting system, the Classique Step has been carefully crafted to suit the styling of each individual make of vehicle perfectly and provides a low-slip step to help passengers get into and out of the vehicle. TJM's range of steps have all been thoroughly tested to ensure that they meet TJM's high expectations which means you will only ever have to buy your accessories once.

Steps are now available for D40 Navara, D22 Navara & 02+ Toyota 100 Series, Mitsubishi ML Triton, Mazda BT50, 05+ Suzuki Grand Vitara & 05+ Toyota Hilux will be available late March 2007.
